Dear Mr. Charaf-Eddine,

I will be in Paris tomorrow 12<sup>th</sup> Oct. If you are still there we could perhaps meet.

I discussed regarding the new company with Mr. GS and he agrees to your proposal as below:

1. Monthly payment of usd 5000
2. All travel, lodging, entertainment costs etc at actual to our a/c.
3. For successful deals you will get usd 1 per mt as success fees.

Kindly send us an agreement in this matter so that we may sing the same and proceed the work asap.

This company will be first initially used for marketing of Togo Rock.

In the meantime, I shall be communicating under this new company – White Koral Overseas Ltd to Togo officially and will mark a bcc to you for your records and reference and once you are ready you will take over.

I await your advice urgently and also draft soft copy of the agreement between us for Algerian work.

Best regards
